Feb 2010 - Sep 2013 (3 years 8 months)

Chef

RIN Group

Sep 2009 - Feb 2010 (6 months)

Education

Wantsome

React

Jul 2022 - Sep 2022

React is a Javascript library that provides a simpler way to write front-end applications. One of the basic principles is to divide the code into components to make it easier to reuse, while respecting a general programming principle: modularization. React is the step that many front-end programmers take after learning the basics of this field, and it is among the most sought-after technologies on the market.

-JSX
-Props
-React Component
-Intro Typescript
-State
-Navigation Page

Wantsome
